Financial Information Reporting Management System

[Bank Danamon, CSUL Finance]

FIRMS

The screenshot shows the FIRMS Process Management dashboard. On the left, a sidebar lists various management modules: Dashboard, Application Management, Process Managements, Data Transformation, Data Quality Management, Data Refinery Management, Data LifeCycle Management, Administration, Slik Data, Audit Trail, and Application Error Log. The 'Process Managements' section is expanded, showing sub-options like Process Management, Upload Slik Error File, and Slik Reporting Data. The main content area is titled 'Process Management' under 'Process Managements / Process Management'. It displays a process flow with five steps: Preparation (done), Extraction (current), and three others (partially visible). A progress bar indicates the current step's completion. Below the flow, detailed information is provided for the current job: Kode LJK (011 - Danamon), Jenis LJK (0101 - Bank Umum Konvensional), Current Processing Id (0101.011.202), Bulan Tahun Pelaporan (201908), Push Sequence (1), Awal Ekstraksi (24-07-2020 14:54:00), Akhir Ekstraksi (not shown), Tahapan (Extraction/Transformation), Status Proses Data (Error), and a current job status (F01 NCBS FCR) with a progress bar at 60%. A large orange button labeled 'JALANKAN PROSES' is centered at the bottom.

Telematic

The screenshot displays the TelematicWeb application interface, which includes a sidebar menu and several data visualization components.

Left Sidebar:

- Dashboard
- Account
- Subscription
- Policy
- Vehicle
- Apps Manager

Central Area:

- Action Log Chart:** A teal header section containing a chart with a single red bar spanning from approximately 0 to 18. The chart lists actions on the y-axis: Add Policy, Amend, Change Cust Number, Change Exp Date, Change Number, Change Start Date, Change Username, Change VIN, Register with Policy, Register with Share, Register with User Regis, Renew, and Terminate.
- Pending from Upload:** A green header section containing a chart with a single blue bar spanning from approximately 0 to 5. The chart lists actions on the y-axis: AddPolicy, Renew, ChangeStart, ChangeExpiry, and Terminate.

Bottom Summary Cards:

- Action Logs:** A red card showing the number 18. It includes a download button labeled "Download" with a downward arrow icon.
- Template File Upload:** A yellow card showing the number 5. It includes a download button labeled "Download" with a downward arrow icon.
